An explosion of colors, joy and youth that will be in the participants' hearts forever.

The largest confetti show in sport

At the end of the parade, the teams reach the main square of Pordenone, where a stage is waiting with music and entertainment. At their arrival in the square everybody get a set of confetti. The opening ceremony concludes with a countdown that gives the sign to launch the confetti. Together with the participants of Donna Cup and Gallini Cup, this create the largest confetti show in sport!
